“ Dear Ann, We are so sad to see the news of Tom's passing. Although the years pass so very quickly, we have fond memories of being young together at Fafnir, the four of us just newlyweds, then new parents, moving into new homes, and then life taking us on our own paths with children and grandchildren. It sounds like you made a beautiful life together...that your 46 years together we're wonderful ones. We want you to know that despite the passing years we remember what a great guy Tom was. Our heartfelt condolences to you and your family.
