“ *I will always remember Travis as the student who cared. He cared about the subject matter, but he also cared about the people around him. He always had a smile on his face and was ready to cheer up anyone who needed it. May we learn from him and treat each other with kindness.*

“ Ron, Michelle and family. We are so sorry to hear of your loss. I can remember the countless times I looked down my back yard to see Travis standing at the banks of the river with his fishing pole. I would always ask him how he made out; he never seemed to be discouraged if he came back with an empty bucket. Our prayers are with you!
