“ I had the pleasure to work with "Nini" while a student at CCSC from 1973-1978. I was part of an all female crew that did grounds maintenance. We had the best time with him. I remember a picture in the New Britain Herald of all of us in the bed of the International pick up truck, all with big smiles. He made the work fun and my time spent there enjoyable. He made us feel welcome in a time when women and grounds maintenance was unheard of. Always supportive, never condescending. I went on to finish my education with a masters in education, but spent my entire career in grounds maintenance, retiring from the town of Manchester after 25 years of service. That little seed of working with Nini blossomed into my entire working life. I've worked with many people in my life, and those times remain special memories. My deepest sympathy to Val Jr. and all the Crescentini Family. Reggie Ginotti

“ My sincere condolences to the family during this difficult time. I just wanted to share a scripture that has strengthened me during my most difficult times and I pray it does the same with you; Isaiah 41:10 "Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand."
