“ From your friends at the Farmington Ave Restaurant, we will miss those wild stories, the laughs and the times you needed to vent! Your seat will be saved and reruns of M.A.S.H at 5PM everyday will remind us what a good friend you were to all of us. Until we meet again...

“ My fondest memories of Vern were when we were children. Fun at the lake on hot summer days, exploring the forests for undiscovered places and pools and rocks for crawfish. The sun was bright and we were happy just being alive. I wish I could have known Vern more as an adult, and I hope that those days of sun and joy followed him still throughout the years. I pray that now, when years do not matter anymore, that he will have both in full measure for eternity.

*O Christ, the Sun of Righteousness, who gives light to those who were in darkness, grant that Vern may know the land of light and joy, now and forever.*

*Love,  
Cousin Karen Pickrell*
