“ I only knew Vinnie since 2009. We met thru some mutual friends when he was working at Guida's Dairy. But we became good friends right away. He was able to relate to me and help me in a lot of ways. We had some deep talks which he and I needed. And enjoyed. We came from very different backgrounds, but thats what made our bond stronger. He said to me once, "damn Butch, ur the coolest white boy i know !" He had his issues, just like i did and everyone else...but i could tell after just 1 or 2 times hanging out with him, he was someone i wanted to be around as much as possible ! Then...I met his beautiful mother, Novella...i saw how much love she had for Vincent...Rest in peace kid. U are Gods son now. Thank u for touching my life the way u did !!! One love, Butch...
