“ Dear Nancy, Howard and family.  
We are saddened by the passing of Nancy's Mother. We only met her the one time but she was certainly the life of the party. The fact that she was bowling up to age 91 says it all! She definately had a zest for life. You will all miss her but she lived a very full life. Our prayers and thoughts are with you all. Fondly The Kelseys

“ Dear Nancy and family, We were so sorry to hear about your mother's passing but know that your mind must be at peace knowing that she is not suffering. These last few years have been difficult but you were always there for her and you were her best friend. She was a lovely person and a real Lady. We remember her at the Hospitality table at NECCC for many years. Our Deepest Sympathy.
