“ Dear Shirlee.... First, please accept my sincere condolences for the death of Vivian. I have known her since 1946, when Donald and I were in Kindergarten!!! Howard was my first baseball coach in New Britain, years ago. I have looked for Donald for years without success and would love to chat with you, if possible. Don and I did an awful lot together as youngsters!! I never heard that Donny had passed away. My email address is RNeubs@att.net. Please contact me if you get this. Again, My sympathy to the entire Blank family for this loss.

Sincerely, Bob Neubauer... Don's childhood friend
