“ Mrs Nelson made the best fruit cake that I ever had. She also had a lot of patience to put up with Lenny and me yelling loudly during all of The NY Giants losses when we were growing up. She was a very kind and gracious lady.

“ Len;

Sorry for your loss. I know what you must be feeling in that I lost my mom not to long ago. You will miss her greatly and she will remain alive in many memories. You should take comfort in the fact that she is no longer in pain; that she is reunited with family and friends, and when we all arrive in heaven, she’ll be there waiting by the door, we won’t have to knock.
