“ I just found out that Walter has passed. Rest in Peace Walter and heartfelt condolences to his family. I had too many wonderful conversations with Walter to count. He came into my office daily on his normal rounds and he would always lighten my day. Over the years he would come in on a Sunday and allow me to get ready for our school Field Day which was the next day. He did it out of the goodness of his heart for the kids. Rest in Peace again my friend. Bill Lownds. PE teacher Gaffney Elementary School (retired)
