“ My heart goes out to you all and my prayers are with you. I loved Bro Reyes' smile and how his eyes would sparkle. He was such a kind, warm and welcoming person! I know we, I, can never miss him they way you all will but I hope you can find comfort in knowing what a beautiful impression he left on so many of us. And that you're not alone in longing to see him again. As you grieve, may you find joy in the treasured memories that will hold your hearts together, and the hope that will keep you going!

Sending warm love,
Keely

“ I first want to send my Love and Condolences to all the family. Will or Papa who is affectionately known to family and good friends will be Dearly missed and I will miss our Wednesday Donut Day and our spiritual conversations together, along with viewing the Broadcast together from time to time. One story and memory I will always CHERISH is when he had a podiatrist appointment I was going to take him to. I arrived at his house at 2:00 for a 2:45 appointment he was in the shower and I kept looking at the clock because I did not want to be late. He comes out of the shower at 2:20 and I begin to get him ready to go, I put his shirt on and put his socks on I asked would you like shoes or sneakers he said No I will go in my socks. I said you should have shoes or something how about your slippers he said Yes. I then went and got a sweatshirt put it on him and now we were ready to go. At this time Yolanda comes up and sees us she said " Papa you didn't tell Dave you don 't have an appointment"? He said No I still wanted Dave to come so we can still have lunch together! So I went picked up Chinese food and Papa and my wife and myself had lunch together. That was a wonderful day!

“ My beloved Uncle Wilo was so loving, kind and a lot of fun. I remember him taking me to Junior Prom and Aunt Nelly was such a good sport! We had a great time and nobody believed me when I’d say he was my uncle. Then there was the time that I had just gotten my Driver’s license and we were going to NYC from CT and he decided I should drive his car, with all of you and Titi Nelly in the back seat and I bumped an Antique car, stopped at a red light! I cried but he just laughed and said: “Don’t worry... there’s no damage, just keep on driving.” Camping, Family Worship, Family Get Togethers, I could go on. I have many happy memories and looking forward to more fun times, working and enjoying life together in the New World! (Hebrews 6:10)
