“ My condolences to Debbie and family on the loss of one so loved. I knew Red from the old days at Nathan Hale and then New Britain High. He was very popular and very fun loving, and even the mean English teacher, Ms. Marie May had a special feeling for him. May God give his large family comfort at this time of sorrow.

“ Marie, Alan, Deb, Diane, Billy, and Patrick,
Please accept my sincere sympathy on the loss of your husband and father. In my memory he will always be a gentle, soft-spoken man. He laughed so hard when I found an old chandelier half-buried in the back corner of your barn one day...when I asked if I could keep the "treasure". He laughed even harder when he was over our house later and I pointed it out hanging in our family room! It turned out to be solid brass and hung there for many years. He was as warm to all our animals as well as both Heidi and I...a sweet man! He has left me remembering him in a most warm and wonderful way. He will be greatly missed.
