“ Spending my summers at Attawan Beach, I got to know Bill and his family. A true boater and a gentleman. He spent years as our treasurer. Always a good word! Thanks for all that he did! Love and condolences to all of the Mahoneys. Glen and Beth Nordgren Johnson

“ My office was directly across from Bill's when I first started at UniBank, and he was my first friend there. He was kind, welcoming and always willing to share his knowledge, insight, opinion or even (as others have said) stories of his family. As parents of multiples, we would swap stories of exhaustion, mischief, survival and most of all, pride. My deepest condolences to Bill's family and to those lucky enough to know him. He will be missed.

“ I have known Bill since we were kids enjoying summers at Attawan Beach. We had many great adventures from sailing on his sun fish to flying around the bay in his motor boat. He was a good friend and a great person. Flo, I'm sorry I can't be there to give you a hug and tell you how much Bill will be missed. Bruce and I send you our love, prayers and good memories.

“ I worked with Bill at UniBank for several years. He was one of the first people I interviewed with and part of the reason I knew UniBank would be the right place for me. He was welcoming and gracious and always had his door open when you needed him. I feel privileged to have worked with him. Please accept my condolences and I wish his family peace and comfort.

“ I worked with Bill for many years at Commonwealth National and UniBank. He was a respected leader and a wealth of knowledge. Bill always made a point to stop by to chat, to ask about our families, and made sure we felt appreciated and connected. He was warm and funny, and a calming presence. I loved hearing his stories about Flo and the kids, their family time and vacation. He was truly one of the good guys. Sending prayers for all of his loved ones during this difficult time.

“ Bill was always known for his quick wit and shining personality during the time I spent with him at UniBank. He was also Smart and kind and what I would describe as an empathetic thinker...his concern for others was always on display to see. I will always remember him showing Pictures of his Family at his Connecticut shore home with great pride.

Truly a great guy, I will miss him!
