“ I will always love Zully and miss her dearly; she cared so much for me and was always there. she was my best friend, my other half. We always kept in communication and had so many plans. I hope God has her in his arms and I hope she knows how much she was loved by those who knew her. I will always remember those big brown eyes and her great smile. she was someone that filled the room with energy, she was an amazing person, I would call this a tragedy. my heart is so broken. Fly high Zully watch over your kids and know that I will keep pushing like you used to tell me. I miss you so much. R.I.P- Juan
